aco: anterior commissure, olfactory limb
AId: agranular insular area, dorsal part
AONd: anterior olfactory nucleus, dorsal part
AONl: anterior olfactory nucleus, lateral part
AONm: anterior olfactory nucleus, medial part
AONpv: anterior olfactory nucleus, posteroventral part
EPd: endopiriform nucleus, dorsal part
IIn: optic nerve
lot: lateral olfactory tract, body
MOs: secondary somatomotor areas
MOp: primary somatomotor area
ORBl: orbital area, lateral part
ORBm: orbital area, medial part
ORBvl: orbital area, ventrolateral part
PIR: piriform area
PL: prelimbic area
RC: rhinocele
rf: rhinal fissure
ri: rhinal incisure
SEZ: subependymal zone
TTd: tenia tecta, dorsal part
TTv: tenia tecta, ventral part
AP = 4.51 mm
AP = +4.85 from ß
